2. Login Page Screenshot

A screenshot of a web browser displaying the FlyAway User Login page. The browser's address bar shows the URL `http://localhost:8080/FlyAway/UserPage.jsp`. The page features the FlyAway logo at the top left. Centered on the page is a box titled "User Login" containing two input fields for "Email" and "Password", and two buttons labeled "submit" and "Reset". Below this box, the text "New User-Create account" is displayed, followed by a red underlined link labeled "Create Account".
